

Getting you back in the office safely

THE NEW NORMAL

Rileys is here to assist you with meeting provincial standards for reopening businesses during Covid-19. All the items below will assist you with providing a safe working environment for your employees and customers.

All items are customizable to your logo and branding needs.

ACRYLIC SHIELDS

Install shields to protect the safety of your staff and maintain a proper physical distance.

Customized to any size needed, these shields are 6mm thick with the option of a pass-through hole. The freestanding design means installation is not required and can be moved within your space as needed.

Allow us to customize the message, and add your logo to any shield.
